

We Launched our own **mobile app!**

Our app transforms your phone into your mobile office, offering easy access to all of the tools and resources you need to do your job, right in the palm of your hand.

The goal of our app is to bring our agency right to your pocket, so you can participate in fun activities, communicate with your team, access your benefits, and so much more.

Getting started is as easy as 1-2-3!

1

Look for the invitation email

You'll be receiving an email from your agency with your invitation to the app. The email will contain a link to your agency's app, as well as your temporary password. **Care2024!**

2

Download the app & log in

Use the link in the email, or scan or click the QR code here to download the app. Make sure to log in with the email address that received your app invitation.

3

Get connected

The app is your hub for everything related to your agency. Familiarize yourself with the hot buttons to complete your most critical tasks with a tap. Explore your new virtual office!
